The campaign slander sheet Mr Brisbane, the republican candidate for Secretary of State, seems to be pretty well exploded.

Indiana seems to be very fruitful in campaign lies. When they are denied about one person they are repeated about another.

It is said that Barry Wall is to go on the stage to star in the part of an Englishman who wears good clothes and is apparently an idiot. It is said that Mr Wall will be thoroughly himself in this part.

If Mayor Hewitt is defeated it will be mainly because he has said that one day is enough for him. It will be a great misfortune if in the leading city in America a man is defeated for being a hypocrite.

The prohibitionists would do well to consolidate with the American party. Of the eight thousand and thirty four persons engaged in the rum traffic in the city of Philadelphia only four hundred and seventy are Americans and of these two hundred and sixty five are negroes. The remaining seventy five hundred are foreigners. Of these over three thousand are Irish and over two thousand are Germans.

We have been asked the question, "How large a majority must come down to Harlem river in order to elect Hewitt?" In 1884 Cleveland's majority in Kings New York Queens and Richmond was 62,685. As Cleveland lost 1017 plurality in the state, the republicans came down to Harlem river with 61,668 votes. As Hewitt can get to by only supporting Cleveland it will be safe to necessary to come to Harlem river with, at least seventy five thousand majority for Harrison.

The letter of Senator Thurman, accepting the nomination for the Vice presidency will be a disappointment. He delayed writing it for months and it was expected that when the letter would be a lengthy one demonstrating the claim of his friends to the nomination and that it would be a very able letter. [illegible] honor and acceptance. But the letter is neither one nor the other. It is only a discussion of the tariff question. But it will be read by all of both sides. However whatever Mr Thurman says will be carefully considered and is worthy of it for he has demonstrated in the senate his right to be heard.
